March 22nd, 2018

***You Are Invited to Jameson's
Second Annual
Learning Celebration & Art Show!***

We will be holding a *School Wide Learning Celebration and Art Show* for Jameson students and families on *Thursday evening, March 22nd from 4:00pm-6:00pm!* The purposes for this event will be as follows:

- For parents and children to participate in learning activities together
- For parents and children to gather learning materials and resources to bring home for skills practice outside of school
- For parents and children to celebrate artistic accomplishments via artwork displayed around the building
- For parents and children to connect and build relationships with Pre K through 2nd grade staff at Jameson School

A *Learning Celebration Menu* with activity offerings for the evening will arrive home soon. Parents are encouraged to choose activities in advance that will be most meaningful in relation to their child's learning strengths and interests. Parents are also encouraged to visit as many classrooms as they'd like in order to access and gather a variety of learning resources throughout the evening. *A light dinner will be available from 5:30pm-6:00pm.* We will also have a portrait station for family photos and door prizes!

Please note: both parent supervision and engagement in learning with children are required for success during this evening.

We are very much looking forward to seeing you all at Jameson School on Thursday, March 22nd between 4:00 and 6:00 for this wonderful community event!
